European law is an essential element of all law degrees. Unlocking EU Law will ensure that you grasp the main concepts with ease providing you with an indispensable foundation in the subject. This third edition is fully up-to-date with the latest developments and includes all the major new cases, as well as coverage of the Lisbon Treaty. The Unlocking the Law series is designed specifically to make the law accessible. Each chapter opens with aims and objectives and contains activities such as quick quizzes and self-test questions, key facts charts, diagrams to aid learning and numerous headings and sub-headings to make the subject manageable. New features include summaries to check your understanding of each chapter, a glossary of legal terminology, essay questions with answer plans and exam questions with guidance on answering. All titles in the series follow the same formula and include the same features so students can move easily from one subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications as well as popular option units. Resources supporting this book are available online at www.unlockingthelaw.co.uk. These include: multiple choice questions, key questions and answers, revision mp3s available for free download, interactive glossary and flashcards.
